

Training Grants (max £250)

A training grant can only be given to a local church once every 12 months.

If you are not eligible for a training grant, please discuss alternative sources of funding with your church and your CYDO.

To apply for a training grant, please submit a written request on Church headed paper to the Synod Children's and Youth Work Committee via the CYDOs or the Synod Office.

Please include;

- A description of the training, the provider and any qualification that will be gained
- Why is it needed?
- What are the costs?
- What other grants have been applied for?
- Are there any future costs – eg re-accreditation?
- Is this training approved and supported by the Elders' and/or church meeting?
- Has the church agreed to support any additional costs?
- Is the training available within the Synod?

The Synod Children's and Youth Work Committee will;

- Discuss your request at their first meeting following receipt of your application, (C&YWC meets in February, May and September)
- Advise you of the outcome within 4 weeks of their meeting
- Ask for confirmation of completion of the training
- Ask for a brief review of the impact after one year
- Support you as they are able in your training
